

AMAZING; SUPERB; FABULOUS; SUPERIOR: These are just a few words our family would describe Ed Kerr and his GSP's from Shining Star German Shorthair Pointers. We recently purchased a male pup and could not be happier with the training provided by Ed and the intelligence and drive of our pup. Pistol Pete is more than we could have ever imagined and asked for and we couldn't be happier. If we were to look for another pup there is no question we would go back to Ed Kerr and his Shining Star GSP's . They are exactly as the name notes; SHINING STARS!!

Thanks so much!
