

Shining Star has been nothing less than great for us. We received an excellent dog (Frank) that has been a very welcomed addition to our family. Not only is Frank a great pet, but a diligent hunter that has a nonstop motor and a big desire to work when in the field. We trusted Ed to train Frank and the end product is exactly what I had hoped for. Frank is the second pointer we have had in the family, and with dogs like Frank being produced by Shining Star, we are sure to get another one down the road. I have (2) children under the age of 7, so our dogs have to be patient and understanding of the kids, and Frank fits right into that category. One day he is the field hunting and later that evening he is getting pink ribbons placed in his hair and his nails painted. A great overall dog from a great breeder/trainer. Thanks Ed and Shining Star.
