

We could not be happier with our choice to get our dog through Shining Star GSP. Ed and Emily are wonderful people. They are truly passionate about delivering quality dogs that are a good match for the families. Their true character and honesty shone bright when the first dog we bought (not from a breeding of Ed's) was not a good match for our desires in a dog. They went above and beyond to help us through the difficult process of rehoming the dog. They also made it possible for us to get a new puppy and even provided with some free training. This all far exceeded our expectations. I have never encountered a business that is run on such passion, customer service, and commitment to excellence.

It was a dream of ours to have a great hunting dog and also a family dog. Banjo just turned one year old and he has far exceeded our expectations. He is a beast in the field. He lives for birds and is a blast to hunt with. He also does wonderfully with our other dog and daughter. It is obvious that he comes from a fantastic and well-rounded bloodline.

Ed and Emily made our hunting dog dreams come true. We are so grateful for everything they have done for us. The business that they run is top notch. When it comes time to get another dog we will not hesitate for a moment to do our business with them again.
