

Lisa and I couldn't be more pleased with Ed Kerr/Shining Star GSP. We purchased a puppy from a Hailey/Striker litter born on May 1, 2015.

Before we even got Freddie, we signed up for Ed's 'puppy school', a 2 week course. He left home a typical 16 week old and came home a little gentleman. During that short two weeks he was whoa trained, e-collar conditioned, learned to walk on a lead, and recall.

Because we were impressed with the puppy training, we also signed him up for Ed's 8 week bird school course which began in late Spring, 2016. I'll be honest, we were nervous to send him away for that length of time so we even met with Ed prior to discuss the interaction he would have with Freddie. Ed graciously answered all of our concerns and questions. We felt relieved, so, off to bird school he went. The work Ed did training Freddie was fabulous, we couldn't be more pleased.

Besides the exceptional breeding and training Ed does, there is more you should know – the love and connection Ed has with dogs is very apparent. You can see it in his eyes and hear it in his voice!
