

In January of 2015 we had decided to start looking for a new companion for our family. My husband and boys had interest in bird hunting. I found Shining Star kennels on the Internet. I called and spoke to Ed and he couldn't have been more helpful. From the moment he told me, " We pride ourselves in raising a family dog that hunts," I knew this was Exactly what we needed.

We have seven children that were seeking a dog to interact with and a few that wanted to pheasant hunt. Ed was so thorough and answered all the questions I had and then some! He explained how he offered puppy school at 16 weeks of age, followed by an adult training school specifically for hunting. He truly makes you feel part of the Shining Star Family.

In September 2015 Remi went off to puppy school. It was the best choice and was worth every penny spent. Remi came back knowing all the basic commands and a polite-well behaved dog including being introduced to the sounds of guns.

In April of 2016 Remi went back for adult school for 8 weeks of training with Mr. Ed to become a hunter. We were able to communicate the first two weeks and then follow up with a visit and even go out on some of the training sessions in the field. For her finale, our entire family ventured out in the field to see her performance. WOW! I (mom) am not the hunter but what an experience to witness! Remi is quite an amazing German Shorthair!

I loved to see Remi interact with Ed, she respected him as well as Joe and I. The bond we all have created together is the best form of extended family I could have ever asked for. Ed has been blessed with gifts for breeding these beautiful German Shorthair Pointers and training them to the best of their ability. He is honest and trustworthy and will not point you in the wrong direction.

Ed's dedication in all aspects from breeding to training Shines through! If we choose to add another family member in the future, Ed and Emily have made it an easy choice for us. Shining Star Kennels, the only place for a well rounded German Shorthair!!!! Quality beyond compare!! We will continue to support and recommend Shining Star Kennels.

Thanks for all you have done!
